Subject: FW: Information for STPC June 22, 2016 Meeting

Attachments: STPC June 2016 Meeting; STPC_ChemicalToxicityAssessmentWorkgroup_CENRS_2016.docx

Dear NCEA Planners and IRIS Management Council: As the ORD representative to the new Scientific Support Panel (SSP) for the Science & Technology Policy Council (STPC), I hope to keep you informed of activities. You can also use me to propose a topic for the agenda of the quarterly meetings – or to propose projects, etc.

I picked the IRIS MC and the NCEA planners group to send information such as the STPC meeting agenda. If there is a better more/less inclusive group that would like to receive this information, please let me know.

You will find the agenda and accompanying meeting materials attached and an FYI on the new Chemical Toxicity Workgroup - that was attached (and dropped off) from previous emails to the STPC.

Hope this is helpful. Anyone can call into or attend an STPC meeting. If you haven't been on a call recently, roll call is taken for members and others are not identified.
